~~53 Department of Higher Education, Governing Boards and Local District Junior Colleges, Trustees of the State Colleges in Colorado; Trustees of Metropolitan State College; Board of Governors of the Colorado State University System; Trustees of Fort Lewis College; Regents of the University of Colorado; Trustees of the Colorado School of Mines; University of Northern Colorado; State Board for Community Colleges and Occupational Education State System Community Colleges -- It is the intent of the General Assembly that each governing board may increase tuition rates by an amount calculated to generate up to a maximum of 10 percent additional revenue from resident students not including the effects of enrollment changes. These rates are used in order to increase spending authority for program enhancements and this is not an attempt by the General Assembly to set tuition policy. Each governing board will give consideration to establishing equity of tuition increases among the campuses and programs under the governing board's jurisdiction. In addition to the tuition increases outlined above, the General Assembly has approved an additional \$7,643,990 in tuition spending authority for the Regents of the University of Colorado as follows: \$1,100,000 for tuition rate increases in programs associated with the college of business at the Boulder campus; \$435,904 for nursing, doctor of medicine, physical therapy, and doctor of dental surgery programs at the Health Sciences Center, and \$6,108,086 for the "Quality for Colorado" initiative at the Boulder campus.~~
